13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor.
16. **DOGS IN VEHICLES ON HOT DAYS**  
Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.  
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
18. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
19. **Entries.** All entries must be made on or before **12th June 2018** (postmark). Entries received by post not later than **19th June 2018** will be accepted provided they bear a postmark not later than **12th June 2018**.

If acknowledgement of entries is required a stamped addressed postcard must be enclosed; this will be signed and returned. In your own interest please use First Class Mail.

In the event of any dispute the only admissible evidence of posting on or before the correct date of posting shall be a certificate issued by the Post Office.

20. **Exhibitors passes** will not be sent
21. **Animals allowed in Show.** No animal other than an exhibit shall be brought into the precincts of the Show during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board
22. **Exclusion of Dogs.**
  - a. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to disease, savage disposition, or any other cause, the dog may be excluded or removed from the Show on the instruction of the show Management.
  - Once excluded or removed from the Show the dog must not be brought into the show at any time under any circumstances.
  - b. If in the opinion of the Show Secretary, Show Manager or duly appointed official of the Kennel Club any dog is suffering from a visible condition which adversely affects its health or welfare the dog must be examined by the Veterinary Surgeon of the Show to establish the validity of the allegation. The Veterinary Surgeon's opinion shall be final and if the allegation is upheld, the dog shall be excluded from all subsequent competition at the Show. Where no Veterinary Surgeon is present at the show, the matter should be reported to the K.C. Within 7 days of the close of the show.
  - c. A full report on any exclusion(s) must be made by the Show Secretary to the Kennel Club for consideration within 7 days of the close of the show.
23. **Exhibition of Dogs suffering from contagious or infectious disease or any visible condition which adversely affects their health or welfare.** No dog suffering from any infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Show or suffering from any visible condition which adversely affects its health or welfare may be exhibited. Exhibitors infringing this Regulation will be liable to be fined and/or to be dealt with under Kennel Club Rule A11.
24. Except when securely benched or caged all dogs must be on a lead for the duration of the Show including in the exercising area, except when competing in the ring in an Obedience Class or Agility Test or taking part in a demonstration.
25. Cages, grooming tables and trolleys are not allowed at the ringside. Obstruction of gangways is prohibited. No dog shall be allowed in a Judging Ring other than actual exhibits in the class being judged.
26. The Catalogue will contain the owner's name in alphabetical order with their dogs in numerical order.
27. **Feeding.** Exhibitors should provide drinking bowls and food for their dogs.
28. **Judging.** A Judge's awards shall be final except in the case of fraud or misrepresentation or where a bona fide mistake has been made by the Judge. No alteration of the awards may be made after the day of the Show without specific permission of the Kennel Club. An award may be withheld if in the opinion of the judge there is lack of sufficient merit. The judge must mark on the judging slips that the award has been so withheld. The judge is not entitled to withhold an award for any other reason. When a judge withholds a third award for want of merit, the subsequent awards in that class must also be withheld.
29. All judges are required to take classes in the order in which they are entered in the Judging book.
30. Should any judge be prevented from fulfilling his/her engagement, the Committee reserve to themselves the right to appoint a substitute. Exhibitors are at liberty to withdraw from competition, but no entry fees can be returned.

31. All Prize Money will be paid at the Show and it is a condition of entry that exhibitors undertake to refund any Prize Money gained by an award that may later be subject to disqualification.
32. **Conversation in the ring.** Exhibitors showing dogs are not permitted to hold conversation with the judge during the competition and any exhibitor who persists in addressing the judge after being requested not to do so by the ring steward, the judge or any of the Committee may be disqualified and any prize awarded to his or her dog forfeited. No persons other than the exhibitor (Officials excepted) will be allowed in the ring during the judging of classes or specials.
33. **Safety of Dogs and Property.** The Committee will be most anxious for the care and safety of the dogs sent for exhibition, but it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of or damage to any dogs or other property, whether arising from accident or any other cause whatever, or from any act or omission of themselves, their officers, agents, servants or others, and it is on this understanding only that entries are accepted.
34. The Committee will not be in any way responsible for any claim for injury or compensation occasioned by or arising out of the holding of the Show or by any other reason or the act or default of any person in attendance or present thereat.
35. All persons attending the Show must compensate and/or indemnify the Club for any loss or damage to any property or buildings within the showground caused with or without negligence by any person under the age of 18 years who is brought by them to the Show or for whom they are responsible.
36. **Sale of Dogs and Acceptance of Dogs For Exhibition.** All negotiations for the sale of dogs must be conducted between buyers and sellers. The acceptance of a dog for exhibition shall not be taken to imply that the Committee warrants or guarantees that the dog is in a fit state for exhibition or complies with the Regulations for the Preparation of Dogs for Exhibition and the Committee shall not be liable in any way whatsoever if the dog is subsequently found either to have been unfit for exhibition or not to have complied with the said Regulations.
37. **Exhibition of Dogs.** a) No person shall carry out punitive correction or harsh handling of a dog at any time whilst at the licensed venue, including its environs, car and caravan parks and approaches. b) The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).

### **Identification of Cages/Crates**

In accordance with KC guidelines, exhibitors are responsible for and must display exhibit number/owner identification on their cage, crate or container at all times and should note that the original exhibit/bench number card as provided by the show society, must not be used for this purpose.

### **Soft Crates**

The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view they do not offer sufficient protection to dogs. Soft crates left unattended are a potential hazard particularly when occupied by large breeds and it has been known for dogs to become distressed and move soft crates along the floor and also escape.

## **Video Cameras in use at Kennel Club Licensed Events Photography and Filming**

The taking of photographs in the exhibition premises for sale or reward is strictly prohibited except with the written permission of the Organisers. The Organisers reserve the right at their absolute discretion to confiscate cameras and/or films for infringements of this condition.

There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only.

Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate/Best of Sex is awarded.

Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the Show if a permit has been issued by the Organisers. There are also certain restrictions on the use of cameras for still photography and private video films.
