15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor.

16. DOGS IN VEHICLES ON HOT DAYS

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

17. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
18. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
19. The Show will be held under Kennel Club Rules and Regulations, all dogs must be registered and transferred at the Kennel Club prior to the Show.
20. All exhibits must be the sole and unconditional property of the Exhibitor in whose name they are entered at the time of entries closing.
21. The Judge's awards shall be final except in the case of fraud or misrepresentation or where a bona fide mistake has been made by the Judge. No alteration of the awards may be made after the day of the Show without specific permission of the Kennel Club (vide KCSR 21k)
22. NOTE: DISQUALIFICATION AND FORFEIT OF AWARDS: A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees
23. The Committee will not be responsible for any accident or mistake, loss or damage to exhibits which are at the sole risk of the exhibitor and it is on this understanding only that entries are accepted.
24. All matters and objections not provided for in these Rules shall be left to the discretion of the Committee, whose decision through the secretary shall be final, subject only to appeal to the Kennel Club.

Health and Safety Policy
Health and Safety at Work etc. Act 1974 the
management of Health and Safety
at Work Regulations 1999.

General Statement of Policy:

We commit to operating the Association in accordance with the Health and Safety at Work Act 1974 and all applicable Regulations and Legislation made under the Act 'So far as is reasonably practicable'

Our policy is to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, volunteers and the general public, and to provide such information, training and supervision as they need for this purpose. We also accept our responsibility for the health and safety of other people who may be affected by our activities.

The Association encourages family participation and therefore acknowledges the increased risks to young and/or inexperienced volunteers.

The Board of Trustees acknowledge that Health and Safety responsibilities within the Association are of equal importance as other priorities.

Although the Board of Trustees accept responsibility for the implementation of this policy, it relies on individual employees/volunteers to accept their own duty and responsibility to themselves, fellow workers and others who might be injured/affected by their acts or omissions.

The allocation of duties for safety matters and the particular arrangements that we will make to implement the policy are set out below.

The policy will be kept up to date, particularly if the Association's activities change in nature and size. To ensure this, the policy and the way in which it has operated will be monitored and reviewed every year or more frequently if required.
