 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

Samples may be taken for further examination & analysis.

An objection may, however, be lodged by any official of the Show or by anyone so deputed by the Kennel Club. The Kennel Club will substantiate the grounds for an objection made on its behalf.

Exhibitors are reminded that products on sale by Trade Stands for the preparation & grooming of dogs may not meet the requirements for the Regulations for the Preparation of Dogs for Exhibition.

FOULING

We are fortunate to have this venue and the Committee urgently request that all dogs MUST be kept on a lead at all times and that in the event of accidental fouling, the mess must be cleared up by the owner/handler. There is a clearly marked exercise area provided.

CHILDREN

Parents are reminded that if bringing children to the show, they will be fully responsible for their children's actions, and if any damage or accidents occur, the costs will be passed on by Worthing & DCS to the parents. Parents are requested to keep their children out of the two large outdoor arenas.

The Kennel Club requests that all dogs in soft cages are NOT left unattended at any time, for safety reasons.

IMPORTANT INFORMATION FOR ALL DOG SHOW EXHIBITORS

The General Committee of the Kennel Club has approved a recommendation which requires exhibitors to display the exhibit/bench number on their crate, cage or container at all times. This is particularly important when cages etc are not on benches, and at unbenched shows. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.
